

# LIVING THE DREAM

**IF IT'S GOT TO BE,  
IT'S UP TO ME**

## Caught Being Good - celebrating the positives!

At Manaia View School we believe it is vital for the awesome efforts, amazing behaviour, caring and respectful attitudes of our students, to be valued and recognised. Our fortnightly whole school and syndicate assemblies are special times of

celebration and acknowledgement. Certificates are presented. "Caught being Good" coupons from each syndicate enter a prize draw. Our values form the basis of these awards. Students work is shared.

Positive rewards are part of every class behaviour plan and the senior management team play a key role in supporting these by affirming our great students for their work, participation and contribution to our school.
